

Procedure Name	Product Group Schedule		
----------------	------------------------	--	--

Procedure Number	YT CoC 003	Date	15 February 2010
Issue Number	06	Authorised by	RH

Yarra Timbers

Objective

To identify and maintain an accurate record of the product types according to FSC STD 40 004.

1 Schedule

- 1.1 Yarra Timber does or may manufacture product groups as specified in Table 1.
- 1.2 The list of product groups in Table 1 shall be maintained and modifications made at any time that an additional product group is manufactured.
- 1.3 This schedule shall be maintained according to the document controls procedure YT CoC 001.
- 1.4 This schedule shall be available for inspection by anyone on request and on the website www.foreststrategy.com.au/yarratimbers.
- 1.5 The schedule contains 11 product groups.
